Online Launch in Czechia

UNHCR Czechia cordially invites you to the online launch of the **Coursera for Refugees** programme in Czechia.

Join us to discover how **Coursera for Refugees** is bringing **FREE** access to higher education to **refugees, asylum-seekers and stateless persons** in Czechia. They will now have **over 12,000 courses** offered by prestigious universities and companies worldwide at their fingertips.

The launch will bring you **voices from refugee learners themselves**, and **perspectives from UNHCR** on its global cooperation with Coursera. You will also hear about eligibility for the programme and how you can help us spread the word about this unique opportunity. Finally, you will have the opportunity to **ask us all your questions**.

Please register for the event [here](#). You will then receive a confirmation e-mail with the WebEx link to join the event.

The event will be held in **Czech, Ukrainian and English**.

For more information on Coursera for Refugees, please see the attached leaflet.

Yours Sincerely,
UNHCR Czechia
